

I am a listener of K-LOVE in the Chicagoland area. It is refreshing to know that I have a radio station that plays music that is "family-safe." There is no vulgar language or improper topics being discussed. I love the wholesomeness of the station. The entire community may not all be Christians. Christians, do have the right to freedom of speech. They also deserve that right to speak their mind. If K-LOVE were to be displaced by an LPFM broadcaster, I may not have this opportunity. Please don't take this away from the K-LOVE listeners all over the States, especially the Chicagoland area. Thank you very much.
